7 Million funds raised by Ed-Tech Company Convegenius

LawKNIT Team lead by Partner Tanvi Muraleedharan has represented Mount Judi Ventures ("MJV") which is a SEBI registered AIF which has invested into an education technology ("Edu Tech") company called Convie Genius. We represented MJV and conducted due diligence on Convie Genius along with drafting, negotiating and closing of transaction documents. We represented the investor and created various safeguards for their investment. We also gave opinion on their offshore and onshore structure which was critical for investor prior to investment.
