LAWKNIT Partners

Joint Venture

JV between Enekom (Turkey) and Brijraj - Railway Tech Co.

LawKNIT Team lead by Partner Tanvi Muraleedharan assisted Brijraj Technologies ("Client"), an Indian company, in entering into a technology transfer agreement with a Turkish company to deploy safety equipment and technologies with Indian railways. As per the technology transfer agreement the Client is to manufacture the equipment under Make in India. We advised on the structure of the JV, drafting of agreements and negotiation.
